

Faculty Regulations Governing the Examination Procedure for Subjects in Supplementary and Extraordinary Assessment Periods on the Campus Illes (Island Campus) Programme at the Palma Campus for Students Registered in Minorca and Ibiza

At its ordinary session on 13th February 2015, the Board of the Faculty approved the following regulations:

'Students registered at the Minorca or Ibiza campuses who wish to do their subject examinations for the Island Campus programme at the Palma Campus (the examinations for the other subjects must be taken at the campus where students are registered) must submit an application to the Dean of the Faculty during the month of December for the February assessment period and during the month of April for the June assessment period. An application may be submitted up to 1st July for the July assessment period.'

The dean or delegated person shall notify the lecturers regarding the number of applications and the list of students.
